Forecast For East of England
Issued by Met Office Exeter
at 1600 on Saturday 05 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly dry overnight, showers developing on Sunday.

This Evening and Tonight:
Mostly dry overnight with some good clear spells, but thickening cloud may bring a little rain to the far west by morning. Feeling rather humid in towns and cities in western areas. Minimum temperature 8 deg C (46 deg F).

Sunday:
Some bright or sunny spells, but patchy rain likely in the west during the morning. More widespread showers in the afternoon, perhaps heavy and thundery. Warm with light winds. Maximum temperature 24 deg C (75 deg F).

Outlook for Monday to Wednesday:
Sunny spells and scattered locally heavy showers on Monday. Sunshine and just the odd shower possible on Tuesday. Wednesday probably dry and bright with sunny spells, especially in the east.
